NOTES:

1. Total program tuition is based upon the total number of credits in a degree program. The total number of credits taken at Colorado Technical University may vary due to transfer credits, block transfer, or repeated courses. Students possessing an earned associate's degree from an accredited institution at the time of admission to Colorado Technical University may be eligible for a block transfer of credits into select bachelor degree programs. See the Degree Programs section of the catalog for descriptions of the degree programs.
2. Program tuition is charged per credit hour each quarter throughout the student's program, and is charged at the beginning of each quarter. Each academic quarter is 11 weeks, and consists of two 5 1/2 week sessions.
3. The University reserves the right to increase institutional program rates during the course of an academic year. As such, a student's financial aid packaging may be subject to adjustment to account for these monetary changes.
4. The application fee may be waived for students enrolling under established articulation or Education Partner agreements, and/or attendance at university sponsored career events. The application fee may also be waived for Career Education Corporation employees enrolling as a Colorado Technical University student.
5. Total program tuition includes a custom suite of course materials which are provided to the student by Words of Wisdom, LLC. At the university's discretion, books may be delivered in an electronic (e-Book) or standard textbook.

CTU cannot guarantee employment or salary. Find disclosures on graduation rates, student financial obligations and more at coloradotech.edu/disclosures.
Not all programs are available to residents of all states.
