FOR IMMEDIATE RELEASE

CAREGIVER HONORED FOR SERVICE AND ACHIEVEMENT

Leadership And Determination Have Had A Lasting Impression On Friends, Colleagues, And Students at CTU's North Kansas City Campus

Sandra Long, a nursing manager at Leavenworth's V.A. Hospital, was recently inducted into the Hall of Fame at Colorado Technical University's North Kansas City Campus. "Sandra is known to approach life and obstacles with a strong determination and sense of composure; something that makes her unforgettable," said Eldonna Davis, Director of Career and Student Services. Sandra was chosen from among this year's nominees for her impact as a role model and her outstanding leadership in the nursing profession. The induction took place during the University's April 19 commencement.

Dedicated to lifelong learning, Sandra returned to school after 17 years as an LPN to obtain an Associate degree in nursing and in 2007 she earned a Bachelor of Health Services Administration from CTU. A former nursing supervisor at Menorah Medical Center, she now provides compassion and leadership as a nursing manager at the V.A. Hospital in Leavenworth. "Working with men and women in the military has a very dear place in my heart," said Sandra.

Any individual, living or deceased, who has received a degree from Colorado Technical University, is eligible for induction into the Colorado Technical University (North Kansas City) Hall of Fame. "The objective of the Hall of Fame," says Peter Correa, President of CTU's North Kansas City Campus, "is to celebrate the achievements of alumnae and alumni whose post-graduate careers best personify the academic, cultural, and civic goals of Colorado Technical University."

The North Kansas City Campus of Colorado Technical University offers a wide range of industry-current degree programs in Applied Health Sciences, Business and Management as well as Criminal Justice.

If you would like more information about CTU, or to schedule an interview with Peter Correa, please call Melissa Connole at (816)303-7804 or e-mail Melissa at mconnole@kc.coloradotech.edu.
