

How to make it as an Entrepreneur

The CTU Sioux Falls Entrepreneurship Conference is an exciting opportunity to hear firsthand what it takes to be a successful entrepreneur.

During an informative panel discussion, Sioux Falls business leaders who have successfully started their own companies will engage you with their personal stories – offering insight on getting a business up and running and maintaining momentum and growth.

There will also be a panel of professionals from industries that can provide resources and guidance for your own venture.

Please join us.
