NOTES:

1. Total program tuition is based upon the total number of credits in a degree program. Fees charged by the University are not included in the Total Tuition Cost, and are incremental to tuition cost stated on this schedule. The total number of credits taken at Colorado Technical University may vary due to transfer credits, block transfer, or repeated courses. Students possessing an earned Associate degree from an accredited institution at the time of admission to Colorado Technical University may be eligible for a block transfer of credits into select Bachelor's degree programs. See the Degree Programs section of the Course Catalog for descriptions of the degree programs.
2. Program tuition is charged per credit hour each quarter throughout the student's program, and is charged at the beginning of each quarter. Each academic quarter is 11 weeks, and consists of two 5 1/2 week sessions.
3. The University reserves the right to change tuition and fees during the course of an academic year. As such, a student's financial aid packaging may be subject to adjustment to account for these monetary changes.
4. Total program tuition includes a custom suite of course materials which are provided to the student by Words of Wisdom, LLC. At the University's discretion, books may be delivered in an electronic (e-Book) or standard textbook.

^{*}CTU FastTrack™ exams allow students to earn credit for specific courses by demonstrating proficiency in these courses. There is no additional fee to take the exams and students have up to seven days to pass a FastTrack exam. Credits and tuition charges reflect that all CTU Fast Track™ exams available for the program are successfully passed. There is no penalty if a student does not pass the exam. FastTrack credits are honored at CTU, but CTU does not imply or guarantee that any credit completed at CTU, including from FastTrack exams, will be accepted by another institution.

^{**}Tuition cost does not include fees. Please check tuition and fees schedule for more information.

CTU cannot guarantee employment or salary. For important information about the educational debt, earnings, and completion rates of students who attended these programs, go to www.coloradotech.edu/disclosures. Not all programs are available to residents of all states. The above referenced tuition assumes a student will be continuously enrolled, and satisfactorily completes all program requirements for graduation. The total tuition cost will increase due to academic failure of courses and or withdrawals and drops. CTU cannot guarantee transfer credit will be accepted; please see the University Transfer Credit policy [here](#). Financial aid is available for those who qualify. 852-1207903 1212873 8/17
