Colorado Technical University's retention rate is based on students who enrolled at Colorado Technical University during the period of July 1 – October 15, as reported to the Integrated Postsecondary Education Data System (IPEDS). The students contained in the calculation did not attend another college or university prior to enrolling in a Bachelor's Degree program at Colorado Technical University. The calculation reflects the percentage of students who began their studies in the fall and continued their studies as of the following fall. Effective with the 2015 cohort, a single full-time and part-time retention rate is reported to IPEDS as a CTU aggregate.
