NOTES:

- Program tuition is charged per credit hour at the beginning of each term throughout the student's program. Each academic term is 11 weeks and includes two 5 1/2 week sessions.
- Total tuition cost is based upon the total number of credits in a degree program. Fees charged by the University are not included in the total tuition cost and are incremental to tuition cost stated on this schedule. The total number of credits taken at Colorado Technical University may vary due to transfer credits, block transfer, or repeated courses. Students possessing an earned Associate degree from an accredited institution at the time of admission to Colorado Technical University may be eligible for a block transfer of credits into select Bachelor's degree programs. See the Degree Programs section of the Course Catalog for descriptions of the degree programs.
- The University reserves the right to change tuition and fees during the course of an academic year. As such, a student's financial aid packaging may be subject to adjustment to account for these monetary changes.
- The Technology Fee is \$220 per term (non-refundable). The Technology Fee covers student access to and maintenance of the following University systems: Student Portal, Virtual Classroom, Intellipath™ adaptive learning platform, CTU Mobile App, CTU Messenger, e-Book reader, and student email. Students utilizing VA education benefits will be exempt from the fee.
- A non-refundable graduation fee will be charged to the student's account during their final term. The graduation fee covers one diploma and diploma cover, two official University transcripts, honor cord (if applicable), regalia (if the graduate is attending a ground graduation ceremony), and costs related to the production of the annual ground graduation ceremony. In order to participate in a ground graduation ceremony, each eligible student must complete the entire graduation registration process by the published deadline. Students who fail to register by the deadline will forfeit the opportunity to receive regalia and participate in a ground graduation ceremony. Regardless of ceremony participation, all graduates will receive their diploma kit at their home address approximately 6-8 weeks following their final term (provided all financial and academic obligations are met).
- A \$1,000 non-refundable Doctoral Symposium fee is charged to a student's account each term in which a student is registered for the two required symposium events. This fee covers administrative costs such as conference rooms, AV equipment, academic event materials and supplies that are associated with the symposium event. Students interested in attending more than the two required symposium events will be responsible for paying for their hotel accommodations in addition to the non-refundable Doctoral Symposium fee. Please see the Doctoral Symposium section of the Course Catalog for more information.
- Total tuition cost includes a custom suite of course materials which are provided to the student by Words of Wisdom, LLC. At the University's discretion, books may be delivered in an electronic (e-Book) or standard textbook.

Disclosures

The above referenced tuition assumes a student will be continuously enrolled, and will satisfactorily complete all program requirements for graduation. The total tuition cost will increase due to academic failure of courses and/or withdrawals and drops. CTU cannot guarantee transfer credit will be accepted; please see the University Transfer Credit policy. CTU cannot guarantee employment or salary. For important information about educational debt, earnings, and completion rates of students who attended these programs, go to www.coloradotech.edu/disclosures. DOCTOR OF NURSING PRACTICE

The Doctor of Nursing Practice program provides opportunities for prospective students to reduce the total program length and total tuition cost through credit for previous clinical practice. All DNP graduates must complete 1,000 clinical hours at the post-baccalaureate level. Five hundred of those hours will be clinical immersion hours completed while attending CTU. All DNP students are required to enter the program with at least 120 clinical hours. For students that do not have the remaining 380 clinical hours to transfer in, CTU provides DNP Transitions courses. Each Transitions course awards approximately 1 quarter credit hour per every 30 clinical practice hours.

The table below provides examples of possible scenarios. The cost for each student will be determined after a review of the clinical hours completed before entering the program.
