NOTES:

- Program tuition is charged per credit hour at the beginning of each term throughout the student's program. Each academic term is 11 weeks and includes two 5 1/2 week sessions.
- Course materials charges are derived by taking a weighted net average cost per course multiplied by the number of courses in the term. The average cost of course materials varies by degree type. For all students eligible for the military tuition rate, the course materials charge will be posted to a student's account once each term, after the add/drop period. The charge will then be waived, resulting in no net cost to the student.
- Total Tuition Cost is based upon the total number of credits in a degree program. The total number of credits taken at Colorado Technical University may vary due to transfer credits, block transfer, or repeated courses. Students possessing an earned Associate degree from an accredited institution at the time of admission to Colorado Technical University may be eligible for a block transfer of credits into select Bachelor's degree programs. See the Degree Programs section of the Course Catalog for descriptions of the degree programs.
- Military tuition rate cannot be combined with CTU scholarships/grants unless specifically noted in the Course Catalog.
- The University reserves the right to change tuition and fees during the course of an academic year. As such, a student's financial aid packaging may be subject to adjustment to account for these monetary changes.
- A \$1,000 non-refundable Doctoral Symposium fee is charged to a student's account each term in which a student is registered for the two required symposium events. This fee covers administrative costs such as conference rooms, AV equipment, academic event materials and supplies that are associated with the symposium event. Students interested in attending more than the two required symposium events will be responsible for paying for their hotel accommodations in addition to the non-refundable Doctoral Symposium fee. Please see the Doctoral Symposium section of the Course Catalog for more information.

Disclosures

The above referenced tuition assumes a student will be continuously enrolled and will satisfactorily complete all program requirements for graduation. The total tuition cost will increase due to academic failure of courses and/or withdrawals and drops. CTU cannot guarantee transfer credit will be accepted; please see the University Transfer Credit policy. CTU cannot guarantee employment or salary. For important information about educational debt, earnings, and completion rates of students who attended these programs, go to www.coloradotech.edu/disclosures. 2019 TUITION & FEES SCHEDULE

Active Duty, Reserve & National Guard military personnel serving in the U.S. Armed Forces, and their eligible spouses Effective January 1, 2019

BACHELOR OF SCIENCE IN NURSING (RN TO BSN COMPLETION PROGRAM)

The Bachelor of Science in Nursing (RN to BSN) completion program provides several opportunities for prospective students to reduce the total program length and cost through credit for academic or other experiences. Upon receipt, official transcripts or other documentation will be reviewed by CTU's Prior Learning Assessment Department to determine transfer credit eligibility into the RN-to-BSN program followed by any cost adjustments.

- Up to 90 quarter credits may be accepted as transfer credit with the required incoming Associate Degree in Nursing, Diploma Registered Nurse (RN), or a graduate-entry educational transition program preparing students for eligibility to become licensed as a Registered Nurse. [Click for details.](#)
- 28.5 quarter credits may be awarded toward degree completion requirements for a valid Registered Nurse (RN) license. [Click for details.](#)
- Additional credits may be awarded for professional certifications. For more information on possible qualifying certifications. [Click for details.](#)
- An experiential learning portfolio may be reviewed for additional credit. [Click for details.](#)

The table below provides examples of the common scenarios. The cost for each student will be determined after a review of the credit opportunities listed above

	Total Program Credits	Cost Per Credit Hour (See Note 1)	Course Materials Charge (See Note 2)	Total Tuition Cost (See Notes 3, 4, & 5)
BACHELOR OF SCIENCE IN NURSING (RN TO BSN) COMPLETION PROGRAM	180			
RN-BSN for Diploma of Nursing Graduates without national specialty nursing certification or work experience	109.5	\$210	\$40	\$22,995
RN-BSN for Diploma of Nursing Graduates with national specialty nursing certification and work experience	89.5	\$210	\$40	\$18,795
RN-BSN for Associate Degree in Nursing Graduates without national specialty nursing certification or work experience	61.5	\$210	\$40	\$12,915
RN-BSN for Associate Degree in Nursing Graduates with national specialty nursing certification and work experience	48	\$210	\$40	\$10,080

NOTES:

1. Program tuition is charged per credit hour at the beginning of each term throughout the student's program. Each academic term is 11 weeks and includes two 5 1/2 week sessions.
2. Course materials charges are derived by taking a weighted net average cost per course multiplied by the number of courses in the term. The average cost of course materials varies by degree type. 5. The University reserves the right to change tuition and fees rates during the course of an academic year. As such, a student's financial aid packaging may be subject to adjustment to account for these monetary changes.

Disclosures

Tuition cost and program length assume a student will be awarded the maximum credit for transfer, licensure, prior experiential learning, and professional certifications, will be continuously enrolled, and will satisfactorily complete all program requirements for graduation. Tuition and timing reflect an accelerated pace for the nursing component of the program. Additional courses, such as general education requirements, may be necessary dependent on credits transferred to CTU. The Total Tuition Cost will increase and program length may change due to academic failure of courses and/or withdrawals and drops. CTU cannot guarantee transfer or other credit will be accepted; please see University Transfer Credit Policy. CTU cannot guarantee employment or salary. For important information about the educational debt, earnings, and completion rates of students who attended this program, go to: www.coloradotech.edu/disclosures. DOCTOR OF NURSING PRACTICE

The Doctor of Nursing Practice program provides opportunities for prospective students to reduce the total program length and total tuition cost through credit for previous clinical practice. All DNP graduates must complete 1,000 clinical hours at the post-baccalaureate level. Five hundred of those hours will be clinical immersion hours completed while attending CTU. All DNP students are required to enter the program with at least 120 clinical hours. For students that do not have the remaining 380 clinical hours to transfer in, CTU provides DNP Transitions courses. Each Transitions course awards approximately 1 quarter credit hour per every 30 clinical practice hours.

The table below provides examples of possible scenarios. The cost for each student will be determined after a review of the clinical hours completed before entering the program.

	Terms	Total Program Credits	Cost Per Credit Hour (See Note 1)	Course Materials Charge (See Note 2)	Total Tuition Cost (See Notes 3, 4, & 5)	Symposium (See Note 6)
DOCTOR OF NURSING PRACTICE		62				
MSN with 120 hours of clinical practice	9	62	\$540	\$49	\$33,480	\$1,000
MSN with 500 hours of clinical practice	7	49	\$540	\$49	\$26,460	\$1,000
