1. Program tuition is charged per credit hour at the beginning of each term throughout the student's program. Each academic term is 11 weeks, and includes two 5 1/2 week sessions.
2. Total tuition cost is based upon the total number of credits in a degree program. Fees charged by the University are not included in the total tuition cost, and are incremental to tuition cost stated on this schedule. The total number of credits taken at Colorado Technical University may vary due to transfer credits, block transfer, or repeated courses. Students possessing an earned Associate degree from an accredited institution at the time of admission to Colorado Technical University may be eligible for a block transfer of credits into select Bachelor's degree programs. See the Degree Programs section of the Course Catalog for descriptions of the degree programs.
3. The University reserves the right to change tuition and fees during the course of an academic year. As such, a student's financial aid packaging may be subject to adjustment to account for these monetary changes.
4. Total tuition cost includes a custom suite of course materials which are provided to the student by Words of Wisdom, LLC. At the University's discretion, books may be delivered in an electronic (e-Book) or standard textbook.

¹The ability to reduce time in school and/or reduce tuition depends on the number of CTU Fast Track™ exams successfully passed. Fast Track program credits are unlikely to transfer. Not all programs are eligible for possible 30% reduction in time and money. Courses eligible subject to change.

²Tuition cost does not include fees. Please check tuition and fees schedule for more information.
