HSS490 - Capstone Project	4			4	
TOTALS	180	60	90	90	
NOTES					
GENERAL	Total degree program = 120 SH of which no more than 60 are required to be taken through CTU. Actual CCAF transfer credit may differ from those shown in this generic degree plan depending on the number of general education courses taken to complete the CCAF AAS degree, or AAS degree credit hours that are awarded for "core" or "specialization" course requirements. Any adjustment will honor the 60 semester hours (90 quarter hours) credit guarantee of the CCAF program. Students must complete the CCAF degree requirements with a minimum 2.00 GPA.				
	Additional transfer credits may be awarded from courses taken in addition to the CCAF degree program (CLEP, ACE, Life/Work experience, or Certifications).				
	Quarter Hour to Semester Hour conversion factor = 0.66. Converted values are rounded to the nearest credit hour.				
1	General Education Requirements: The CTU BSCJ degree contains a total of 61.5 Quarter Hours (41 Semester Hours) of General Education requirements, of which 31.5 Quarter Hours (21 Semester Hours) are transferred from the CCAF AS degree. The 6 Semester Hours of Leadership, Management & Military Studies credit required for the CCAF AAS degree is included as it meets General Education requirements for CTU.				
2	CTU accepts 39 semester hours (58.5 quarter hours) of transfer requirements from CCAF Elective Credit.
