2. Total Program Cost displayed is based upon the total number of credits in a degree program. Fees charged by the University are included in the Total Program Cost. The total number of credits taken at Colorado Technical University may vary due to transfer credits, block transfer, repeated courses, or multiple concentrations. Students possessing an earned Associate degree from an accredited institution at the time of admission to Colorado Technical University may be eligible for a block transfer of credits into select Bachelor's degree programs. See the Degree Programs section of the University Catalog for descriptions of the degree programs.
3. The University reserves the right to change tuition and fees during the course of an academic year. As such, a student's financial aid packaging may be subject to adjustment to account for these monetary changes.
4. The Student Senate Fee supports all student activities, student organizations, resources for student needs, and the enhancement of external activities for students. This non-refundable \$5 fee is charged per term and is included in the Total Program Cost displayed above.
5. The Technology Fee is \$220 per term (non-refundable). The Technology Fee covers student access to and maintenance of the following University systems: Student Portal, Virtual Classroom, intellipath® adaptive learning platform. 6. A \$1,000 non-refundable Doctoral Symposium fee is charged to a student's account each term in which a student is registered for an in-person Doctoral Symposium event. This fee covers costs associated with hosting the symposium event including academic materials and supplies and is included in the Total Program Cost. Students attending the in-person Doctoral Symposium are responsible for booking and paying their own travel and lodging expenses and therefore not covered by the Doctoral Symposium Fee. Doctoral students are required to attend two Doctoral Symposium events in their program. Students registered for the virtual Doctoral Symposium events offered by the University are not subject to the Doctoral Symposium Fee. Please see the Doctoral Symposium section of the University Catalog for more information.
7. A non-refundable Graduation Fee will be charged to the student's account during their final term and is included in the Total Program Cost. The Graduation Fee covers one diploma and diploma cover, two official university transcripts, honor cord (if applicable), regalia (if the graduate is attending a ground commencement ceremony), and costs related to the production of the annual ground commencement ceremony. In order to participate in a ground commencement ceremony, each eligible student must complete the entire graduation process by the published deadline. Students who fail to register by the deadline will forfeit the opportunity to receive regalia and participate in a ground commencement ceremony. Regardless of ceremony participation, all graduates will receive their diploma kit at their home address approximately 6-8 weeks following their final term (provided all financial and academic obligations are met).
8. Total Program Cost includes a custom suite of course materials which are provided to the student by Words of Wisdom, LLC. Students not wishing to use e-Books are responsible for any additional charges associated with purchasing standard textbooks.
