Technology Management Concentration	12	100	\$540	\$49	\$54,000	\$1,000

**Active Duty, Reserve, & National Guard military personnel serving in the U.S. Armed Services and their eligible spouses**  
Effective July 3, 2018

**NOTES:**

1. Program tuition is charged per credit hour at the beginning of each term throughout the student's program. Each academic term is 11 weeks and includes two 5 1/2 week sessions. Students may be required to complete some coursework for the program via online delivery.
2. Course materials charges are derived by taking a weighted net average cost per course multiplied by the number of courses in the term. The average cost of course materials varies by degree type. For all students eligible for the military tuition rate, the course materials charge will be posted to a student's account once each term only, after the add drop period. The charge will then be waived, resulting in no net cost to the student.
3. Total Tuition Cost is based upon the total number of credits in a degree program. The total number of credits taken at Colorado Technical University may vary due to transfer credits, block transfer, or repeated courses. Students possessing an earned Associate degree from an accredited institution at the time of admission to Colorado Technical University may be eligible for a block transfer of credits into select Bachelor's degree programs. See the Degree Programs section of the Course Catalog for descriptions of the degree programs.
4. Military tuition rate cannot be combined with CTU scholarships/grants unless specifically noted in the Course Catalog.
5. The University reserves the right to change tuition and fees during the course of an academic year. As such, a student's financial aid packaging may be subject to adjustment to account for these monetary changes.
6. A \$1,000 non-refundable Doctoral Symposium fee is charged to a student's account each term in which a student is registered for the two required symposium events. This fee covers administrative costs such as conference rooms, AV equipment, academic event materials and supplies that are associated with the symposium event. Students interested in attending more than the two required symposium events will be required to pay for their hotel accommodations in addition to the non-refundable Doctoral Symposium fee. Please see the Doctoral Symposium section of the Course Catalog for more information.
