## BACHELOR OF SCIENCE IN NURSING (RN TO BSN) COMPLETION PROGRAM

The Bachelor of Science in Nursing (RN-to-BSN) completion program provides several opportunities for prospective students to reduce the total program length and total tuition cost through credit for academic or other experiences. Upon receipt, official transcripts or other documentation will be reviewed by CTU's Prior Learning Assessment Department to determine transfer credit eligibility into the RN-to-BSN program followed by any cost adjustments.

- Up to 90 quarter credits may be accepted as transfer credit with the required incoming Associate Degree in Nursing, Diploma Registered Nurse (RN), or a graduate-entry educational transition program preparing students for eligibility to become licensed as a Registered Nurse.

## 2023 TUITION AND FEES SCHEDULE

Active Duty, Reserve, & National Guard military personnel serving in the U.S. Armed Services and their eligible spouses.

- 28.5 quarter credits may be awarded toward degree completion requirements for a valid Registered Nurse (RN) license.
- Additional credits may be awarded for national nursing specialty certifications.
- An experiential learning portfolio may be reviewed for additional credit.

The table below provides examples of possible scenarios. The cost for each student will be determined after a review of credit opportunities listed above.

| <b>Bachelor of Science in Nursing (RN to BSN) Completion Program</b>  | <b>Terms</b> | <b>Total Program Credits</b> | <b>Cost Per Credit Hour<br/>(See Note 1)</b> | <b>Total Program Cost<br/>(See Notes 2, 3, 4, &amp; 5)</b> |

Total Program Cost and program length assume a student will be awarded the maximum credit for transfer, licensure, prior experiential learning, and professional certifications, will be continuously enrolled, and will satisfactorily complete all program requirements for graduation. Tuition and timing reflect an accelerated pace for the nursing component of the program. Additional courses, such as general education requirements, may be necessary dependent on credits transferred to CTU.

## DOCTOR OF NURSING PRACTICE\*

The Doctor of Nursing Practice program provides opportunities for prospective students to reduce the total program length and cost through credit from previous clinical practice. All DNP graduates must complete 1,000 clinical hours at the post-baccalaureate level. Five hundred of those hours will be clinical immersion hours completed while attending CTU. All DNP students are required to enter the program with at least 120 clinical hours. For students that do not have the remaining 380 clinical hours to transfer in, CTU provides DNP Transitions courses. Each Transitions course awards approximately 1 quarter credit hour per every 30 clinical practice hours. The table below provides examples of possible scenarios. The cost for each student will be determined after a review of the clinical hours completed before entering the program.

## ADDITIONAL FEES

| Fee Type   | Fee Amount   |
|--|--|
| Book Supplies & Course Materials Charge (See Note 2) | \$40 undergraduate programs / \$42 graduate program (waived) |
| Engineering Fee (See Note 6)                         | \$1,100  |
| Doctoral Symposium Fee (See Note 7)                  | \$1,000  |
| Graduation & Technology Fees (See Note 3)            | N/A  |

### NOTES:

1. Tuition is charged per credit hour at the beginning of each term throughout the student's program. Each academic term is 10 weeks and includes two 5 week sessions.
2. Book supplies and course materials charges are derived by taking a weighted net average cost per course multiplied by the number of courses in the term. The average cost of book supplies and course materials varies by degree type. For all students eligible for the military tuition rate, the book supplies and course materials charge will be posted to a student's account once each term, after the add/drop period. The charge will then be waived, resulting in no net cost to the student. The Total Program Cost includes a custom suite of course materials which are provided to the student by Words of Wisdom, LLC. At the University's discretion, books may be delivered in an electronic (e-Book), which may be accessed by the student for the duration of the applicable course(s) or standard textbook, which becomes the property of the student. Students not wishing to use e-Books are responsible for any additional charges associated with purchasing standard text books.
3. Total displayed Program Cost is based upon the total number of credits in a degree program. Fees charged by the University are included in the Total Program Cost.. For all students eligible for the military tuition rate, the Graduation & Technology Fee are not charged and therefore not included in the Total Program Cost. The total number of credits taken at Colorado

Technical University may vary due to transfer credits, block transfer, or repeated courses. Students possessing an earned Associate degree from an accredited institution at the time of admission to Colorado Technical University may be eligible for a block transfer of credits into select Bachelor's degree programs. See the Degree Programs section of the University Catalog for descriptions of the degree programs.

4. Military tuition rate cannot be combined with CTU scholarships/grants unless specifically noted in the University Catalog.
5. The University reserves the right to change tuition and fees during the course of an academic year. As such, a student's financial aid packaging may be subject to adjustment to account for these monetary changes.
6. For students enrolled in the Bachelor of Science in Computer Engineering program, a \$1,100 non-refundable Engineering Fee will be charged to the student's account in the term in which the student is registered for the first engineering (EE) course and is included in the Total Program Cost. This fee does not cover the cost of these required items: safety goggles, one Phillips head screwdriver, one flat head screwdriver, and one set of needle nose pliers with side cover; it is the student's responsibility to purchase these items. Engineering students are also responsible for purchasing any replacement parts listed on the Engineering Parts List; this list is available to students to assist in purchasing replacement parts.
7. A \$1,000 non-refundable Doctoral Symposium fee is charged to a student's account each term in which a student is registered for an in-person Doctoral Symposium event. This fee covers costs associated with hosting the symposium event including academic materials and supplies and is included in the Total Program Cost. Students attending the in-person Doctoral Symposium are responsible for paying for booking and paying their own travel and lodging expenses and therefore not covered by the Doctoral Symposium Fee. Doctoral students are required to attend two Doctoral Symposium events in their program. Students registered for the virtual Doctoral Symposium events offered by the University are not subject to the Doctoral Symposium Fee. Please see the Doctoral Symposium section of the University Catalog for more information.

## Cost of Attendance

The cost of attendance (COA) is the average academic year education-related cost for attending a program at an institution of higher education. This information is provided to assist students in considering additional costs that may be associated with attending college. Expected charges include direct costs, such as tuition and fees, and indirect costs (not charged directly by CTU), such as room and board (food and housing), travel, books and supplies, and other personal expenses. The COA will differ based on various circumstances, such as your enrollment status and living situation. Students receiving Military Basic Allowance for Housing (BAH) should reference the 'BAH' components below. All other students should reference the 'Off-Campus' components below.

Below are the COA components for the 2023-2024 academic year. At CTU, a full-time academic year consists of three terms, which is generally eight months in length.

| COA Components                | BAH<br>Estimated COA per Academic Year | Off Campus<br>Estimated COA Per Academic Year |
